

Bohemian Chic

SEVENTH
SENSE

“Bohemian, for the gypsy in your soul!”

Dear Valued Friend,

There are two ways to respond to a serious world. The first might be: Let's be conservative, let's wait until we are certain. And who's to say that's wrong? The second way is to let go, let your Seventh Sense direct you and be different or even daring.

You know what we've found? It's just not as much fun to be safe. We know if we did that, we'd end up in the middle of the pack, with designs like anybody else could create.

We're just not built that way. We're only happy when we push the envelope, and help you, our loyal customer, to look and feel unique, extraordinary, and irresistible. We let our Seventh Sense lead us to the gypsy in our soul. Come on! Join us!!

We are delighted to fly in the face of tradition and share this exuberant new collection of Bohemian Styles with you.

With Bold, Playful and Exciting colors -- Innovative and Intriguing Pendants -- Warm, Charismatic and Flattering fashion forward designs that deliver the best value of all -

They look very expensive... and at the same time are not!

But we don't have to share that secret. You can just continue to reap the same benefits as you've come to expect from us -

Products that you can be proud of. Profits that you can count on.

To Your Success!

Darren Lisiten, CEO
